

Smart Key_V1.50 Function List

Note:

1. EU=Europe; AS=Asia; AF=Africa; SA=South America; CN=China; NA=North America; OA=Australia.

2. Applicable universal key types:

2.1 Low frequency universal keys: 315M/433M universal keys are low frequency universal keys.

2.2 BMW low frequency universal keys: Among low frequency universal keys, BMW low frequency universal keys are used by BMW and Volvo.

2.3 Ford high frequency universal keys: 868M/915M universal keys are high frequency universal keys. Ford high frequency universal keys for used by all makes except BMW.
